## LIMERICK RACECOURSE

A warm welcome today to Limerick Racecourse,

We wish all attendees and connections the best of Luck today .

Today's meeting is our penultimate fixture ahead of the Mr Binman Christmas Festival which takes place from Thursday 26th December until Sunday 29th December.

There are eight National Hunt races on the card today featuring The Adare Manor Opportunity Maiden Hurdle and The Irish Stallions Farms EBF Mares (Ladies Pro/ Am) both of which I am sure will be exciting races.

Thank you to Adare Manor & EBF for sponsoring races today.

Preparations are in full flow for the Christmas Festival. I would highly recommend that you visit our website [www.limerickraces.ie](http://www.limerickraces.ie) as we have a variety of special offers and packages to suit everyone.

If you have any queries, please don't hesitate to contact the team directly on 061-320000 or email [info@limerickraces.ie](mailto:info@limerickraces.ie).

As always, I welcome comments or suggestions and you can contact me at [Michael.lynch@limerickraces.ie](mailto:Michael.lynch@limerickraces.ie)

I wish everyone who has joined us today an enjoyable and successful day of racing and I hope to welcome you back again for the Mr Binman Christmas Festival.

Warm regards

**Michael Lynch**

# A-Z GUIDE TO RACING

Are you a first time racegoer, then this section is just for you! By going through some of the racing terminology, discussing some tips to enjoy your day and what you need to bring and do once you get here, this section will ensure you get the most from your day at the races.

**Amateur:** (rider) on race cards, their names are prefixed by Mr, Mrs, Captain, etc., to indicate their amateur status.

**Apprentice:** Young jockey tied by annually renewed contract to a licensed trainer while he or she is learning the business of race-riding.

**Best Turned Out:** This is the prize given to the groom of the horse that is judged to look the best in the parade ring.

**Bit:** A two-piece device that fits into the horse's mouth and is attached to the reins. It allows the jockey to control and steer the horse.

**Blinkers:** A piece of equipment that goes over the horse's head to restrict its vision and help it concentrate in a race.

**Colt:** Male, un-gelded horse up to four years old.

**Conditional Jockey:** The jumping equivalent of an apprentice.

A young National Hunt jockey that can claim a weight allowance of up to 10lbs.

**Dam:** Mother of a horse.

**Distance:** The length of a race: 5 furlongs is the minimum and the 4 1/2 miles of the Grand National the longest. Also, the margin by which a horse wins or is beaten by the horse in front: this ranges from a short head to 'by a distance' (more than 30 lengths); a 'length' is measured from the horse's nose to the start of its tail.

**Draw:** For flat racing only, describes a horse's position in the starting stalls, drawn randomly the day before.

**Filly:** female horse up to four years old.

**Foal:** Horse of either sex from the time of its birth until 1 January the following year.

**Furlong:** 220 yards (one eighth of a mile).

**Gelding:** Castrated horse.

**Going:** The description of conditions underfoot on the racecourse.

Official Jockey Club going reports progress as follows: Heavy - soft - good to soft - good - good to firm - firm - hard.

**Green:** (of a horse) inexperienced.

**Hand:** Unit of four inches in which a horse's height is measured, at the shoulder.

**Handicap:** A race in which the weights are calculated by an official assessor (called a handicapper). The better class horses carry the highest weights while the lesser class horses carry lower weights. The idea is to give all horses an equal chance of winning.

**Judge:** Official responsible for declaring the finishing order of a race and the distances between the runners.

**Maiden:** Horse which has not won a race.

**Mare:** Female horse five years and over.

**Off the Bit/Off the Bridle:** Describes a horse being pushed along by his jockey, losing contact with the bit in his mouth.

**On the Bit/On the Bridle:** Describes a horse going well within himself, still having a grip on the bit.

**Pace:** 'Up with the pace' means close to the leaders; 'off the pace' means some way behind the leaders.

**Pattern:** The elite races, divided in Flat racing into Groups One, Two, Three and Listed; and in Jumping into Grades One, Two and Three.

**Photo Finish:** Electronic photographic device which determines minimal distances in a close finish.

**Scope:** The potential for physical development in a horse.

**Sire:** Father of a horse.

**Stewards:** The panel of men and women - usually a total of four - who are responsible for seeing that the Rules of Racing are adhered to.

Stewards Enquiry: Enquiry by the stewards into the running of a race.

**Weigh In/ Weigh Out:** Weighing of jockey before and after a race to ensure that the correct weight has been carried; the announcement 'weighed in' signals that the result is official, and all bets can be settled.

**Yearling:** Horse of either sex from 1 January to 31 December of the year following its birth.
