Dear Friends of Limerick Racecourse,

We do hope you all had a very enjoyable Christmas Day yesterday. I am delighted on behalf of the team here to welcome you to Greenmount Park for the opening day of the Mr Binman Christmas Racing Festival 2024. The stage is set with 28 fantastic races to be decided by some of Ireland's most promising equine superstars, who will battle it out for more than €400,000 in prize money over the next four days. We would like to thank sincerely Mr Binman for their continued support of this racing Festival and for their contribution to our sustainability journey in 2024 and into 2025.

The feature race today is the Lyons of Limerick Jaguar Land Rover Novice Hurdle (Grade 2).

We would like to extend our appreciation and gratitude as well to all of today's race sponsors who include Mr Binman, Signsplus, BRC McMahon, Lyons of Limerick, O'Kelly Brothers Demolition, Aqua Process Solutions and JJ Kavanagh Buses.

It is great news that the 2024 Christmas Racing is fully sponsored with many new sponsors which gives fantastic encouragement for the region and the continued support of such fantastic sponsors is greatly appreciated.

I would also like to thank all the team here at the racecourse for their hard work and dedication in the lead up to today and indeed all our business partners including Big Boss Events and Master Chefs.

Please be aware that a Cash and Tap payment bus will operate after racing today should you need transport to Limerick City.

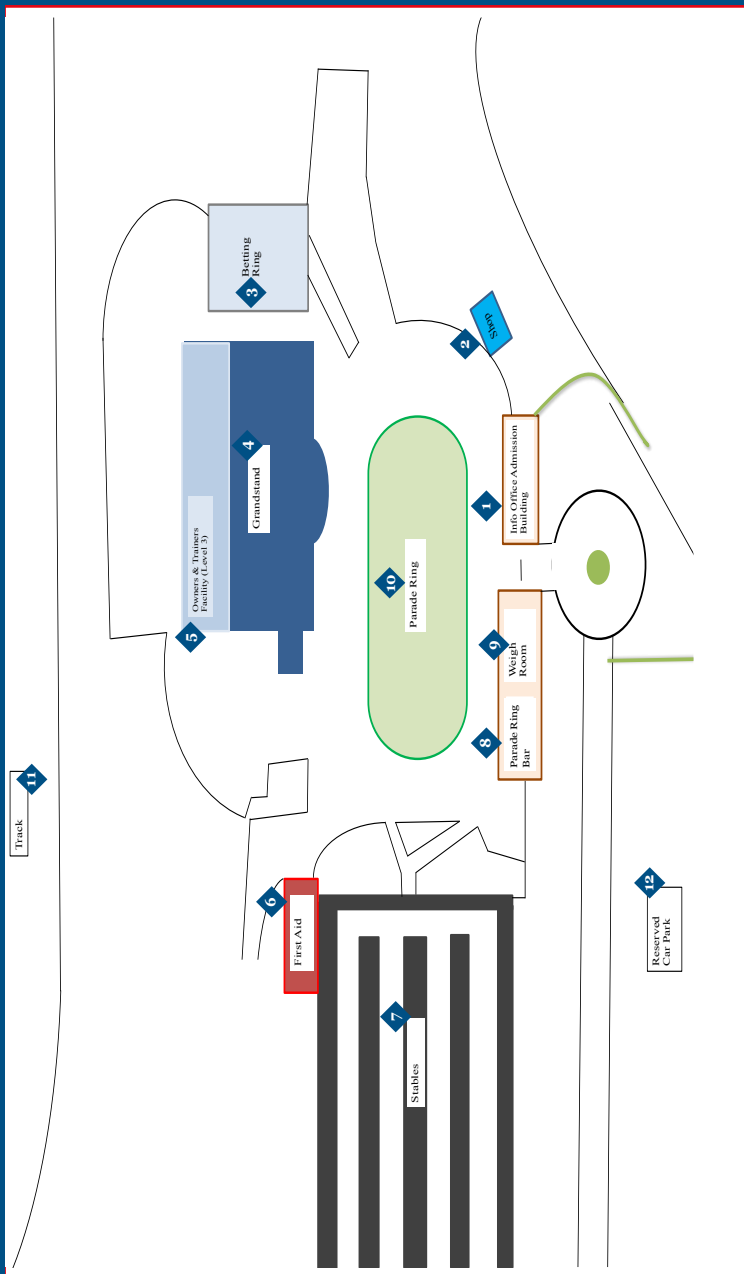

If you would like to purchase a memento of Limerick Racecourse please call to our information office where you can purchase Umbrellas, Cups, Hats and Keyrings.

Finally, we would like to thank each and every one of you who has joined us here today. After all, the continued success of Limerick Racecourse would not be possible without your support.

I look forward to welcoming you all back again tomorrow for day two of the Mr Binman Christmas Racing Festival.

I wish everyone who has joined us today an enjoyable, safe and successful day of racing.

Kindest Regards,
Michael Lynch
CEO Limerick Racecourse

A-Z GUIDE TO RACING

Are you a first time racegoer, then this section is just for you! By going through some of the racing terminology, discussing some tips to enjoy your day and what you need to bring and do once you get here, this section will ensure you get the most from your day at the races.

Amateur: (rider) on race cards, their names are prefixed by Mr, Mrs, Captain, etc., to indicate their amateur status.

Apprentice: Young jockey tied by annually renewed contract to a licensed trainer while he or she is learning the business of race-riding.

Best Turned Out: This is the prize given to the groom of the horse that is judged to look the best in the parade ring.

Bit: A two-piece device that fits into the horse's mouth and is attached to the reins. It allows the jockey to control and steer the horse.

Blinkers: A piece of equipment that goes over the horse's head to restrict its vision and help it concentrate in a race.

Colt: Male, un-gelded horse up to four years old.

Conditional Jockey: The jumping equivalent of an apprentice.

A young National Hunt jockey that can claim a weight allowance of up to 10lbs.

Dam: Mother of a horse.

Distance: The length of a race: 5 furlongs is the minimum and the 4 1/2 miles of the Grand National the longest. Also, the margin by which a horse wins or is beaten by the horse in front: this ranges from a short head to "by a distance" (more than 30 lengths); a 'length' is measured from the horse's nose to the start of its tail.

Draw: For flat racing only, describes a horse's position in the starting stalls, drawn randomly the day before.

Filly: female horse up to four years old.

Foal: Horse of either sex from the time of its birth until 1 January the following year.

Furlong: 220 yards (one eighth of a mile).

Gelding: Castrated horse.

Going: The description of conditions underfoot on the racecourse.

Official Jockey Club going reports progress as follows: Heavy - soft - good to soft - good - good to firm - firm - hard.

Green: (of a horse) inexperienced.

Hand: Unit of four inches in which a horse's height is measured, at the shoulder.

Handicap: A race in which the weights are calculated by an official assessor (called a handicapper). The better class horses carry the highest weights while the lesser class horses carry lower weights. The idea is to give all horses an equal chance of winning.

Judge: Official responsible for declaring the finishing order of a race and the distances between the runners.

Maiden: Horse which has not won a race.

Mare: Female horse five years and over.

Off the Bit/Off the Bridle: Describes a horse being pushed along by his jockey, losing contact with the bit in his mouth.

On the Bit/On the Bridle: Describes a horse going well within himself, still having a grip on the bit.

Pace: 'Up with the pace' means close to the leaders; 'off the pace' means some way behind the leaders.

Pattern: The elite races, divided in Flat racing into Groups One, Two, Three and Listed; and in Jumping into Grades One, Two and Three.

Photo Finish: Electronic photographic device which determines minimal distances in a close finish.

Scope: The potential for physical development in a horse.

Sire: Father of a horse.

Stewards: The panel of men and women - usually a total of four - who are responsible for seeing that the Rules of Racing are adhered to.

Stewards Enquiry: Enquiry by the stewards into the running of a race.

Weigh In/ Weigh Out: Weighing of jockey before and after a race to ensure that the correct weight has been carried; the announcement 'weighed in' signals that the result is official, and all bets can be settled.

Yearling: Horse of either sex from 1 January to 31 December of the year following its birth.

AGE AWARE

Legislation came into effect around the beginning of 2018 and in order to comply with this, Tote have introduced the AgeAware campaign, a campaign which will stop u18s from placing bets with Tote at the track.

Tote is committed to providing a full service to all customers that can verify their age if required to do so by Tote staff.

Customers are reminded that they may be required to produce valid ID if deemed to look under 18 and are attempting to place a bet.

RACING P+ST SELECTION: LAKOTA BLUE

RACE VERDICT

The Gigginstown pair of **Lakota Blue** and **Lincoln Du Seuil** should be big players but **BACCHANALIAN** shaped nicely on hurdles debut at Galway in a race that has worked out well and he might represent some value. **Dark Oak** and **Shoda** are Flat maiden winners who should be capable of good runs if their jumping holds up. RACE VERDICT

A competitive handicap and chances can be given to all. Last year's first and second **Phils Choice** and **Millstream Lady** as well as recent **Thurles** first and second **Ad Caelum** and **Inchiquin Star** are all respected. Top-weight **Gers Gigi** and the long-absent **Lep Around** have chances. The one to beat looks to be the unexposed **LADY OF THE LOCKE** on her handicap debut after a nice run at Cork. A market check on **The Big Cloud** is also advisable. [Justin O'Hanlon] Source: Racing Post

RACE VERDICT

Foxy Girl has threatened more than she has delivered so far on the track but this would rank as a good opportunity on her chase debut. After his good debut effort behind Ballyburn at Punchestown, the one to beat is **RELEASE THE BEAST** with improvement very likely. [Justin O'Hanlon] Source: Racing Post

RACE VERDICT

Not many of these seem to count. Market moves for Hurricane Bailey with her maiden hurdle form and Early Bird on debut will be interesting to see. Shesakindofmagic had some useful horses behind her at Punchestown last time, but preference is for UFOURIA who ran into a good mare on debut here last year and will be hard to beat if she can reproduce that. LIMERICK
RACECOURSE

HORSE WELFARE -A PRIORITY

At every race meeting there are specially qualified equine veterinary surgeons on duty to look after the wellbeing of all the horses racing. There is a vet in attendance at the start of each race who, follows the horses throughout the race and is quickly on hand if a casualty occurs. It is normal procedure to erect screens around any horse receiving veterinary treatment. This allows the veterinary surgeon some privacy to fully assess the horses' injuries and race goers should not assume the worst if screens are erected around an injured horse. The Blue Cross ambulance is always present to transport the horse back to the stable yard for further treatment if necessary.

A second veterinary surgeon is in attendance in the stable yard to assess and treat any horses requiring such attention post race.

The horses' welfare is always our priority.
